LOUIS L. COLLINS

September 25, 1880 — December 19, 1956

Louis L. Collins was born in Laconia, N. H. on September 25, 1880 and at an early age moved to Meredith. In 1902 he moved to Sanbornton, married Grace Leavitt, a resident, and lived in this town for 54 years.

He was a charter member of Bay Grange and belonged to the Belknap County Pomona Grange. He was a member of the Sanbornton Police Department. For a number of years he was a farmer, served the State of New Hampshire as Game Warden from 1918 to 1935 and retired for the last several years.

"Lou", as everyone knew him, will long be remembered for his amusing stories and will be missed.

Selectmen's Summary and Recommendations*Roads:*

The Selectmen were petitioned by the owners of land in the vicinity of Black Brook road, so called, to accept said road as a public highway to be laid out at least two rods wide.

At the Public Hearing held at Sanbornton Town Hall on January 12, 1957, it was brought out that the Town of Sanbornton legally owns the road from the Lower Bay road to the formerly owned Dan Huse property. Therefore, the Selectmen are only concerned with the acceptance of the continuance of the road to the Meredith line which is four-tenths (4/10) of a mile.

The Board is unanimously in favor of accepting the rest of this road upon receipt of Fifty foot (50') waivers from the abutting owners. We realize that there will be some additional costs to the town but that these costs will be more than offset by an increase in the tax base, as there are presently five new homes being built on land adjacent to the road.

Last year's TRA money was spent to black top two miles of Woodman Road. We plan to complete the remaining seven-tenths of a mile this year. The estimated cost is between \$2500. and \$3000. dollars. The balance of the money, which will be in the neighborhood of \$4200, will be used to start the Perley Hill road project. This one mile road connects Route 3B with Route 127 and will greatly benefit many of our residents in the Chapel.

In regard to the Dr. True road, one of the town's original range ways, our position is purely one of carrying out our duty and responsibility to the townspeople. According to the town records the town owns this road to the shore of Lake Winnisquam. If the court decides in the town's favor it means that the townspeople will have access to the Lake. Furthermore, it will definitely broaden our tax base because land in the proximity of this road can readily be sold.

Town Owned Land :

We looked into the feasibility of selling at Public Auction some of the lots the town has acquired through the years. The Erickson lot has both mature and growing timber and will be checked by the Forestry Department before any decision is made as to when it should be sold. There is some good timber on the Burleigh land located back of Robert Dearborn's place. We plan to offer this parcel for sale this year. The Lamprey lot near the Town Dump is mostly scrub land. We did not view the Rollins lot located on the south side of Hopkinson Hill this past year but we will this summer.

Town Hall :

In accordance with the appropriation voted last March, the Town Hall was painted and the wood shed built. On behalf of the townspeople we extend our appreciation and thanks to the members of the Grange who gave of their time and labor to the reconstruction of the Grange kitchen and the Town Hall wood shed, the only cost to the town being that of the additional lumber needed for the wood shed.

Town Dump :

Weather permitting, we recommend that the dump be kept open through the month of October to give the summer and winter residents more time for Fall cleaning.

Inventory Blanks :

Last April we mailed and distributed 710 inventories and only 355 were returned. We wish to call to the attention of the taxpayers that legally they have no recourse regarding their assessment for tax purposes unless they have returned their inventory blanks to the assessors. Moreover, a properly executed inventory is of great assistance to the Selectmen in preparing the Blotter book.

We deeply appreciate the wholehearted cooperation and assistance given us by all the town officers in expediting their share of the town's business.

Concord, New Hampshire

**SUMMARY OF FINDINGS
AND RECOMMENDATIONS**

February 7, 1957

Board of Selectmen
Sanbornton, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Sanbornton for the fiscal year ended December 31, 1956, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Library and Fire Department.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1955—
December 31, 1956: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1955 and December 31, 1956, are presented in Exhibit A-1. As indicated therein the Surplus increased by \$4,480.03 during 1956.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

	Increase in Surplus	
Net Budget Surplus		\$4,488.11
	Decrease in Surplus	
Decrease in Cash in Hands of Town Clerk		8.08
Net increase		<u>\$4,480.03</u>

Comparative Statements of Appropriations and Expenditures
—Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1956, are presented in Exhibit A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$3,354.85, plus a net unexpended balance of appropriations of \$1,133.26, resulted in a net budget surplus of \$4,488.11.

Summary of Receipts and Expenditures: (Exhibit B-1)

A summary of receipts and expenditures for the fiscal year ended December 31, 1956, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1956, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter or transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Sanbornton for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*

REPORT OF THE FIRE DEPARTMENT

The job of installing a small tank and cross chassis pump on the Forest Fire truck is nearly completed.

We were able to purchase a dry chemical extinguisher and 100 feet of 1½ inch hose with the balance of our appropriation. The need for 1½ inch hose is still acute.

We feel that the voters should know that within a short time we are going to need a different Fire Truck; either a heavier chassis for this tank and equipment, or a different truck altogether. It would be well to appropriate some money and set it aside for this purpose.

The Department responded to six fires in Sanbornton in 1956.

The Fire Department gratefully acknowledges gifts received as well as the valuable assistance of the Lakes Region Mutual Aid Association.

GEORGE S. CURRIER, *Chief*

WINNISQUAM FIRE DEPARTMENT**Winnisquam, New Hampshire**

February 8, 1957

For the period beginning January 1, 1956 and ending December 31, 1956, the cost of maintaining the Winnisquam Fire Department was \$2,764.94.

Of this amount four hundred dollars (\$400) was for the purchase of a used 1953 Chevrolet chassis on which we are going to mount the tank and equipment which is presently on our Engine #2, a 1935 Ford.

During this same period we responded to twenty-five fire calls in our district, broken down as follows:

Tilton	8
Belmont	7
Sanbornton	8
Laconia	1
Gilford	1

Respectfully yours,

RICHARD B. MEYERS, Chief

Report of the Fire Department

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised — regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you — personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden—the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty.

Use your dump freely Help Keep it Safe

Number of local fires 3

Number of acres burned $1\frac{1}{2}$

Number of permits issued 91

THOMAS J. KING, *District Fire Chief*

GEORGE S. CURRIER, *Forest Fire Warden*

Report of the Sanbornton Public Library

For the Year Ending December 31, 1956

The total book circulation from the Sanbornton Public Library during 1956 was 5,552. 489 books were loaned to adults and 5,063 to children and youth. 185 new books have been added, 92 for adults and 93 for children and youth.

Mr. Gardner Soule, Extension Librarian, spent another day with us last summer continuing the classifying of the books.

Our thanks to those who have given books to the Library during the year. The National Geographic Magazine which was given for many years by the late Edith M. Prouty is being continued through the thoughtfulness of Major and Mrs. Harold C. Bingham.

The gift of a book to the Library in remembrance of a loved one has been a meaningful gesture by many. This is a fine way to keep alive the memory of those who have gone.

This is your Library. The school children are making good use of it. There are many excellent books on the shelves which should be in constant circulation among the adult readers. Please drop in and look over the reading matter any Wednesday afternoon between one and five o'clock. The Librarian will welcome you.

Mrs. Annette C. Larson tendered her resignation as Trustee and has moved with her family to Sunnyside, Washington. Mrs. Grace A. Snedeker has been appointed to fill the vacancy.

SANBORNTON PLANNING BOARD

At the 1955 Town Meeting the citizens of the Town voted to establish a Planning Board with duties set forth in Sections 1-15, Chapter 53, Revised Laws of New Hampshire 1942, as amended, to make a study of the Town's development and report to the Town appropriate recommendations for the promotion and maintenance of the Town's best development. The Board members shall consist of one Selectman and four (or six) other citizens appointed by the Selectmen as provided by Law.

The members appointed to the Planning Board were Selectman J. C. Bodwell, E. V. Chesley, E. Craig, H. W. Erickson and C. E. Hanson. At the Board's first meeting Mr. Bodwell was elected Chairman and Mr. Chesley, Secretary of the Board.

The Planning Board held several meetings during the year to study Zoning Regulations of Towns similar to Sanbornton and with the advice of the State Planning and Development Commission presented a Zoning Ordinance to the citizens of Sanbornton at three public hearings as prescribed by Law. The Zoning Ordinance was revised after the first and second hearings and presented to the voters in final form at a public hearing on Town Meeting day of 1956. The voters accepted the Zoning Ordinance for the Town as presented at the 1956 Town Meeting.

The Planning Board started the year of 1956 by planning the setting up of a Land Use and Tax map of the Town of Sanbornton. This will require time and involve a lot of work but would be invaluable to the Town when completed.

In 1956 E. Craig replaced J. C. Bodwell as Selectman member of the Board and J. C. Bodwell was appointed to the Board. C. E. Hanson resigned and R. M. McReel was appointed by the Selectmen.

A study of the roads in the Town is being made in order to ascertain their importance and to what extent they should be improved. The new High Speed road that may soon bisect our Town will present new road problems. Your Planning Board will try to keep abreast of the new development and keep you advised.

The Planning Board wishes to thank the citizens and officers of the Town for their co-operation these past two years.

JOSEPH C. BODWELL

Annual Report of the Superintendent of Schools

*To the School Board and Citizens of the Sanbornton
School District:*

I herewith submit my third annual report as your Superintendent of Schools:

Personnel Changes

Mrs. Barbara E. Corliss, a graduate of Lyndon Institute of Vermont, was employed as teacher in grades 5-6 to replace Mrs. Lois Sabino. Mrs. Corliss has taught in various schools in New Hampshire and Vermont.

Mrs. Beatrice Pelletier continues to teach in grade 1. Mrs. Marjorie Brazil, who taught in grade 8 last year, has been transferred to grades 2-3 for this year. Miss Flora Gomo is teaching grades 3-4. Mrs. Barbara Corliss teaches grades 5-6. Mrs. S. Katherine French, principal, continues teaching in grade 7. Grade 8, by vote of the town, is being transported to Tilton for their education.

Enrollment

Because of the increased enrollments, it will be necessary to transport grades 7 and 8 to Tilton in 1957-58. Even with the 7-8 grades at Tilton, the school will still be crowded. The assignment of grades will probably be as follows:

Mrs. Pelletier	Grade I	24
	II	6
		<hr/>
		30
Mrs. Brazil	Grade II	17
	III	16
		<hr/>
		33
Miss Gomo	Grade IV	30
Mrs. Corliss	Grade V	19
	VI	8
		<hr/>
		27
Miss. French	Grade VI	12

A much more satisfactory arrangement from the standpoint of sound education, would be to send part of the 6th grade to Tilton, thereby leaving us to reduce the numbers of combination grades. If eight 6th graders were sent to Tilton, we could then organize as follows:

Mrs. Pelletier	Grade I	24
Mrs. Brazil	Grade II	23
Miss Gomo	Grade III	16
	Grade IV	16
		<hr/>
		32
Mrs. Corliss	Grade 1V	14
	Grade V	19
		<hr/>
		33
Mrs. French	Grade VI	12

Tuition Rates

The tuition rates for the 1957-1958 school year were established as follows:

Franklin High School	\$330
Laconia High School	350
Tilton-Northfield High	330
Tilton Elementary	220

Building Problems

The warrant for the annual school district this year will again include articles for an addition to the Sanbornton Central School. It is sincerely hoped that some favorable action will be taken on these articles this year. The transportation and tuition for children at Tilton is a sizeable item, which might well go toward improving our school plant in Sanbornton. There is no guarantee that Tilton can continue to accept our overflow over the next few years.

I wish to express my appreciation to the School Board, the school staff, and the people of Sanbornton, for their co-operation and support during the last school year.

Respectfully submitted,

RICHARD A. MARTIN

Superintendent of Schools

SANBORNTON CENTRAL SCHOOL

Report of the Principal

The Central School is a place where many activities are taking place. Hardly a week passes without something of special interest happening which brings enjoyment to one group or another.

Each month there is a birthday party for all having a birthday during the month. At Christmas and Thanksgiving there are special parties and in June a picnic. The school lunch program has continued to grow under the efficient management of Mrs. Madleen Stevens. It might be of interest to note that during the school year 18,814 lunches have been served to the children with a daily average of 116.

The average enrollment has been 135. The lowest was 132 and the highest 142. It is still necessary to utilize the corridor, teachers' room and stage as classrooms, even though the eighth grade is attending school in Tilton.

The operetta, "The Farmer in the Dell" and the exhibits at Plymouth Fair are excellent examples of some of the accomplishments of the school.

I wish to take this opportunity to thank the members of the School Board, Superintendent, P. T. A., parents, and fellowworkers for their splended cooperation throughout the year. Because of your help and understanding it has been a most pleasant year in which it has been possible to attain the high standards which every community strives to attain.

S. Katherine French, *Principal*

Report of the School Nurse

School health services are made up of procedures established to appraise the health status of pupils; to counsel pupils, parents and teachers concerning the results of the appraisal; to encourage the correction of remediable defects; to assist in the identification and education of handicapped children; to help prevent and control disease; and to provide emergency service for injury and sudden illness. School health services, however, supplement, but are not a substitute for the health care which parents should provide for their children. Rather than relieving parents of their responsibilities, these services are designed to encourage parents to devote attention to child health, to acquaint them with health problems of which they may be unaware, and to encourage them to utilize the services of their physician and dentist.

The following is a report of the health services offered in the Sanbornton School during the past year.

The general objective of our eye health program has been to promote visual health and efficiency by protecting the eyes and sight of all pupils. Each child should have an eye examination at least once a year and especially before he enters school. This is the best time to detect those eye defects which may impair not only a child's school work, but his general efficiency in later life. Many children are handicapped simply because of poor vision. Yet frequently this could have been discovered and prevented had an eye examination been given in early childhood. During the past year, the Massachusetts Vision Test was administered to 160 children. It is encouraging to find that a number of children in our schools have secured vision corrections as a result of our testing program.

Hearing is also a priceless possession. It is second in importance only to sight. It can be lost with dramatic suddenness, or it can be lost gradually. Even a gradual loss may become serious if neglected, since in most cases lost hearing cannot be restored. It is clear that a serious impairment of

hearing can be a real handicap just as crippling as any other physical defect. For this reason, 152 children in the Sanbornton Schools were tested with the Puretone Audiometer Instrument. Three children were found to have a hearing loss of ten percent or more in either one or both ears.

The Tuberculin Test is one of the most important tools in a good tuberculosis diagnostic program. This has been proven by the Tuberculin Skin Test program which is held annually in our schools. On March 22, 1956, the Tuberculin Skin Test was administered to 130 children and teachers.

A Poliomyelitis clinic was held on October 18, 1955 and on May 26, 1956. Seventy-three children were inoculated. It has been gratifying to check the number of school children who have been immunized by their own physician.

On May 16, 1956 a pre-school clinic was held at which time twenty-one children, in addition to a general medical inspection by the school nurse, were administered vision and hearing tests.

Pupils were weighed and measured three times during the school year and reports were sent home to the parents.

During the year 1956 the school nurse made ninety-two visits to the Central school. In addition to the previously mentioned health services, conferences were held with parents, teachers and pupils.

Through the cooperation of the Sanbornton Parents and Teachers Association, a dental clinic was held. Mrs. Harold Manning, dental hygienist, examined and cleaned the teeth of 126 children. Mrs. Manning visited the classrooms and gave a talk on "Dental Care." I am very happy to report that 111 children received dental care.

I wish to take this occasion to express my sincere gratitude to all for their wholehearted cooperation and financial assistance during the past year.

Respectfully submitted,

MARION MOYNIHAN, R. N.

STATE TAX COMMISSION

Concord, New Hampshire

August 27, 1956

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Sanbornton School District for the fiscal year ended June 30, 1956.

In our opinion the Exhibits included herewith reflect the true financial condition of the Sanbornton School District as of June 30, 1956, together with the results of the financial transactions of the District during the fiscal year ended on that date.

Summary of Findings and Recommendations

The School Board
Sanbornton School District
Sanbornton, New Hampshire

August 27, 1956

Gentlemen :

Submitted herewith is the report of an examination and audit of the accounts of the Sanbornton School District for the fiscal year ended June 30, 1956 which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

Scope of Audit

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

Financial Statements

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1955 and June 30, 1956 are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$2,880.34 during the fiscal year ended June 30, 1956.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1956, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net overdraft of appropriations of \$4,132.35, less a revenue surplus of \$17.48, resulted in a net budget deficit of \$4,114.87.

Summary of Receipts and Expenditures:

(Exhibit E)

A summary of receipts and expenditures for the fiscal year ended June 30, 1956 made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance, as of June 30, 1956, is indicated in Exhibit F.

Statement of Bonded Debt: (Exhibit I)

A statement of the bonded indebtedness of the School District as of June 30, 1956 showing annual debt service requirements, is contained in Exhibit I.

Statement of School District Appropriation

Account: (Exhibit G)

A statement of the School District appropriation account is included in Exhibit G. As indicated therein, as of June 30, 1956, the School District had received from the Town an advance on the 1956-57 school tax in the amount of \$3,718.36, which is shown as a liability item in the balance sheet.

General Comments

Current Deficit:

As indicated by the Comparative Balance Sheets (Exhibit A), the current deficit (excess of current liabilities over total assets) increased by \$1,119.66, during the fiscal year ended June 30, 1956, as shown herewith:

	June 30, 1955	June 30, 1956
Current Liabilities	\$4,015.45	\$3,867.44
Total Assets	1,398.30	130.63
Current Deficit	<u>\$2,617.15</u>	<u>\$3,736.81</u>

Application of Municipal Budget Law :

It is noted that the fiscal year ended June 30, 1956, there was a net overdraft of appropriations amounting to \$4,132.35, the total expenditures exceeding total budgetary appropriations by this amount. It is further noted that in compliance with the provisions of the Municipal Budget Law (Chapter 32 of the Revised Statutes Annotated) application was made to the State Board of Education and a certificate of emergency issued by the Board on February 27, 1956, authorizing the School District to exceed budgetary appropriations.

Conclusion :

The provisions of Chapter 184 of the Laws of 1955, require that this report or a summary of the findings and recommendations (Letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Sanbornton School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

Real Estate Valuations as of April 1, 1956

Veterans' exemptions have not been deducted from the following figures.

VETERANS — While it has been the custom for the Selectmen to enclose exemption blanks with Inventory blanks sent to Veterans, by Law Veterans should obtain their exemption blank by request from the Selectmen or Assessors. If you do not receive your exemption blank via mail with your Inventory blank, be sure and contact a Selectman for one and return it by April 15th.

Do not wait until the tax bills are out and then ask for an exemption.

PRESERVE THIS REPORT

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year, or any year, it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day.
